MEMO ENDORSED

Re: *Drake Manor, Inc. v. Angela DiPilato*
Case No.: 07 Civ. 10957 (SCR)
Assigned Judge: Hon. Stephen C. Robinson

Dear Judge Robinson:

Please be advised that we acknowledge receipt by regular mail of Respondent's Opposition to Petitioner's Motion to Remand to State Court for Lack of Subject Matter Jurisdiction which was filed with the Court on March 21, 2008, the scheduled and ordered return date. We respectfully submit our objection to Respondent's Opposition and request that this Court strike these documents for the following reasons set forth below.

Respondent's Opposition was not timely pursuant to the parties agreed upon schedule set forth in the letter dated January 15, 2008, which was so ordered by this Court on March 11, 2007, and required that Respondent's Opposition be served and filed by February 28, 2008. Respondent failed to request any extension of time as required by F.R.C.P. 6(b) either before the expiration of the original time, for good cause, or after the expiration of time, for excusable neglect.

Furthermore, Respondent's Opposition was not electronically filed on the ECF system as required by the SDNY Procedures and Guidelines for electronic filing and the Local Rules of the United States District Courts for the Southern District. This matter is also not one of the exceptions which allows for paper filing.
